Retirement village builds 'field of dreams' for Bobby Sox

by Joe Naiman

In an era where corporate sponsors and municipalities collaborate on ballparks, the Monte Vista Village and the Lemon Grove/Spring Valley Bobby Sox have broken ground, both figuratively and literally.

The retirement village has provided a part of its lawn for a facility for the league's Mini Sox program. The older Bobby Sox girls will continue to play at the league's field at Bancroft Elementary School, but the Mini Sox program for girls age 5 through 8 now has a field of its own.

Ironically, the younger girls now have a grass field while the Bobby Sox continue to play on dirt. For the past seven years, the Mini Sox had been playing on a dirt parking lot at Bancroft Elementary.

Previously, Mini Sox had played on a corner of the school playground, but a new obstacle course there came at the expense of the Mini Sox field.

The field was the idea of Mike Shetler, the administrator of Monte Vista Village.

Last fall, the Bobby Sox league had asked about having the retirement village's residents come to the ball field and help with the concession stands.

Transportation to the field was a hindrance to that plan, but Shetler suggested that a field be built at Monte Vista Village.

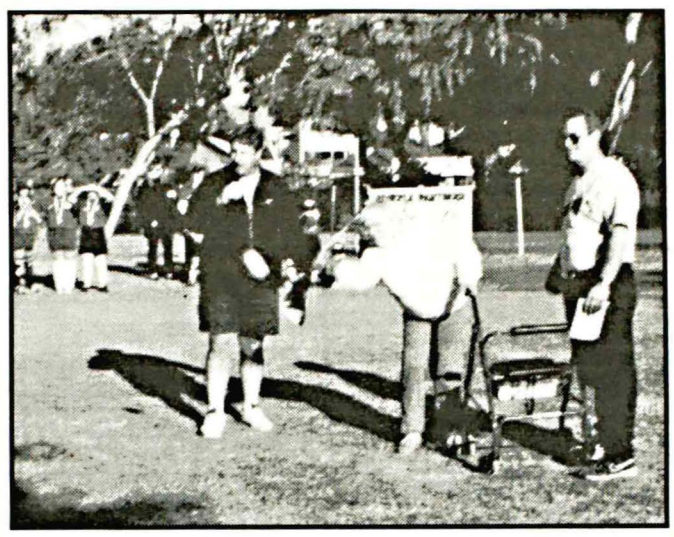
"It's our field of dreams. Build it and they'll come," said Shetler.

Monte Vista Village supplied both the labor and the materials. The staff rented a sod cutter and cut out the infield, and bought infield soil, bases and fencing.

Shetler thought of providing an extended backstop, but none of the younger girls have hit a foul ball over the fence, so that has not been a priority.

Bleachers presented a problem for the residents to climb, so benches were installed instead.

The total cost, not including labor, was $2,000. Because of rain interfering with construction, the field took three weeks to complete.



Jacqueline Burcher, flanked by LG/SV's Financial Director Mike Twohey (left) and President Darrell Ledford, throws out first pitch to dedicate the new Bobby Sox (Mini Sox) field on April 14. The Monte Vista Village provided the land at the facility for the league.

Photo by Joe Naiman

The entire field could fit within the base-paths of a Major League infield; the bases are 35 feet apart and the right and left out-field lines are 72 feet from home plate. There was discussion about removing the palm tree in center field to expand the ballpark, but instead Shetler wants to plant palm trees all around the outfield.

When the field isn't in use by the Mini Sox, some of the facility's 148 residents may be playing whiffle ball there for recreation, or the field may be used by residents' descendants.

A dedication ceremony of the field was held April 14 prior to the first game on the field between the Green Arrows and the Red Devils.

During the ceremony, medals were presented to the under-10 team of the Lemon Grove/Spring Valley Bobby Sox, who won the national championship last year. The Monte Vista Color Guard composed of four veterans living in the complex held the flags while Harmonica John sang the national anthem.

The first pitch was thrown by Jacqueline Burcher, the Resident Council president; 103-year-old Adolph Dubois, the oldest resident in the independent residential facilities, called "play ball" to open the field for softball.

Tonight, a gathering of the three brightest objects will be strikingly beautiful on Wednesday morning and spectacular on Thursday. Face east-southeast an hour before sunrise.

Tomorrow night, do not miss the remarkable gathering of Venus, Jupiter, and the crescent moon on Thursday morning. The best time to look, from most locations in U.S. and southern Canada, may be about one hour before sunrise.

For the most dramatic effect, go out in time to watch the close pair of planets rise ahead of the moon. For details on the gathering for all locations in U.S. and southern Canada between latitudes 20 and 50 degrees north, see the article on the compact gathering at the beginning of this diary.

Thursday night/Friday morning, about 45 minutes before sunrise, the last thin old crescent moon has just risen in east. Some 16 degrees to moon's upper right is brilliant Venus with Jupiter 1.3 degrees to its upper right.

Friday night/Saturday morning, an hour before sunrise, look very low, between E and east-southeast, for two bright planets 2.2 degrees apart: Jupiter to upper right of brighter Venus.

Saturday, on each successive morning now, Venus and Jupiter are nearly one degree farther apart. On Sunday, they're 3 degrees apart. Look 45 minutes to an hour before sunrise.

On Sunday, the new moon occurs at 4:41 a.m. PDT today and is not visible, except from Hawaii, where it may be glimpsed briefly at dusk.

Sports Beat
with Greg Eichelberger

Greeting sports fans. With the continuation of local, prep and professional baseball in full swing, and the NBA and NHL winding towards the playoffs, you may be thinking that I've run out of things to write about (without repeating myself). Well, if that thought has crossed your mind, I beg to differ with you.

There is, hopefully, and I strongly assert that word, a new game in town, at least on the pro level. I speak, of course, of the San Diego Flash, of the United States International Soccer League (a sub-division of the Major League Soccer), which has begun its inaugural season with a 2-0 loss to the Seattle Sounders.

While the team will be playing its home games at Devore Stadium on the campus of Southwestern College (home of the Apaches), there are a few East County connections, such as Kevin Coleman, a major stockholder, from El Cajon, among others (if they're from here, we'll find 'em).

So, for those of you who think outdoor soccer is really something special, the next home contest is Friday (7:30 p.m.) against the Long Island Rough Riders. Call 581-2120 for more information.

The San Diego Gulls, meanwhile, has swept away the Phoenix Mustangs and is ready to face the Tacoma Sabercats in the finals for its third straight West Coast Hockey League title. While the birds have handled the cats rather easily in their arena, Tacoma has won two out of three here, so it should make for a very interesting series.

I guess everyone knew that the Indianapolis Colts would pick Payton Manning (of Tennessee) in the NFL draft and the Chargers would get Ryan leaf (of Washington State), but guess what? I could care less right now.

Let's see how he performs after a few games under his belt, or better yet, let's judge him at the end of the 1998 campaign. Besides, here's a guy who'll make more money in one year than most of us will make our entire lives, so why waste time discussing it at all?

Speaking of raking in the big bucks, **Brian Giles**, late of the American League champion Cleveland Indians and former Granite Hills star, has inked a deal with the Tribe for the next three years. And even though the details of the deal weren't disclosed, let's just say it was more money than my editor or myself will see this week and leave it at that.

Here's something that should make all of us feel a little better. The Highway Lions Club will be holding another miniature golf tournament to aid the San Diego Center for the Blind on Sunday, beginning at 11 a.m. at the Family Fun Center in El Cajon. The club raised over $5,000 for this charity in September and hopes to earn more this time around. For details contact **Jerry Mosier** (president of the Lions) at 449-1074.

Registration for Santee/Lakeside Pop Warner teams will take place on May 2 (6 a.m. - 2 p.m.), May 8 (7 - 9 p.m.), and May 9 (8 a.m. - noon) at Rio Seco Elementary School (9545 Cuyamaca Street, Santee).

Pop Warner is available to boys and girls ages five to 15, and includes flag football (ages five to seven) and cheerleading. The registration fee is $50 and there is $45 uniform and equipment rental charge.

Please bring the following items to the school when signing up: an original certificate of birth (plus two copies for league officials), a medical insurance card with identification number, a current report card and a recent one-inch by one-inch photo of your child (with his or her name written on the back). I suppose there is some logical reason for all of this, but, if you have any questions, just call 390-7149.

And if you have any questions on how to appear in this column, just call 390-7103 (or, if you prefer, E-mail ikeforum@juno.com). It's probably not the most important thing you do today, but it's most likely the best thing. Until then, though, have a great sports week.

Annual Santee Spring Tournament draws 84 teams for this weekend

by Michael Krawczak

In what has fast become a spring tradition for youth soccer teams from near and far, the 4th Annual Santee Spring Soccer Tournament will be held this weekend (April 25-26) at fields all across the city.

Eighty-four teams have signed up to take the field, with five divisions ranging from ages Under-19 to Under-8. While many teams will represent East County cities, others travel from as far as Arizona and all around Southern California.

"Interest is growing and it's getting better," said tournament director Jamie Wirick. "Teams from Los Angeles love the family atmosphere in Santee."

She estimated that 50 teams had to be turned away, due to field limitations.

Games will commence early on Saturday, with action continuing through division finals on Sunday afternoon.

As in the past, players on the top two teams in each division will receive medals, and one team from each division will be selected to receive Sportsmanship awards.

An addition to this year's tournament is a Soccer Blast, which will be held at the Costco parking lot on Towne Center Parkway Saturday evening, from 6 - 10 p.m.

It will provide a central location for locals to socialize with their visiting opponents. For $5 per person, attendees will receive a dinner catered by El Pollo Loco.

A wide range of fun activities are scheduled, including a radar gun to measure the speed of soccer kicks, a dunk-the-ref tank, a race car on display from Speed World, a raffle for a variety of merchandise and services donated by community merchants and live entertainment, featuring gymnasts and dancers.

"Costco has been absolutely wonderful," Wirick said. She was very pleased at how the entire city, including the city council, sheriff's and fire departments and Chamber of Commerce, worked together to put on this event.

Volunteer reserve deputy sheriffs and U.S. Marines will provide security for the expected crowd of 1,000 soccer enthusiasts.

Noting that the intent of the Spring Tournament has always been to put money back into the community, Wirick stated that all profits from the Soccer Blast will go toward replacing Santana High School's band uniforms.

For more information on the Soccer Blast, contact Beth Wilson at 562-8471.

Former East County players competitors in Pt. Loma Nazarene/Chapman baseball game

by Joe Naiman

Mount Miguel High School graduate Adam Olow made sure the San Diego baseball community remembered him during his return to San Diego April 16.

The Chapman University outfielder scored three runs in Chapman's 6-5 loss to Point Loma Nazarene College and reached base in four of his five plate appearances at Carroll Land Stadium.

Olow, who batted leadoff, doubled to start the game and scored the game's first run after a subsequent Chapman single and Point Loma error.

In the second inning Olow walked with two out but died on base. Olow came to bat in the fourth with one out and the bases loaded, but was called out on strikes.

Olow led off the seventh with a single and stole second base, advancing to third on the catcher's error. He then scored Chapman's second run on a groundout to second.

Olow was also involved in Chapman's three-run eighth inning. With two runners on base and one out El Capitan graduate Paul Wardell was brought in to face Olow, but Wardell hit the Chapman sophomore with a pitch to load the bases.

A double drove in two runs and sent Olow to third, and a passed ball allowed Olow to cross the plate for the third time in the game.

Wardell then issued a walk and was relieved by former Christian High School pitcher Dale Webster, who induced a ground ball for a double play and held Chapman scoreless in the ninth inning for the save.
